

How to Become a TAFEVC Provider

The TAFE Virtual Campus (TAFE VC) is a service for all Victorian registered training organisations and schools delivering vocational education and training programs and the Victorian Certificate of Applied Learning.

Training providers manage their own private space within the TAFE VC and have responsibility for the administration of courses, students and teaching staff.

Courses can be developed by the provider and inserted into the TAFE VC. Alternatively, any of the courses within the **Online Courseware Catalogue** can be requested and, if necessary, modified by the provider to suit their local requirements.

Providers have total control over their courses and teachers can manage and track students at all times. In addition, all students and teachers have access to a help desk for support and assistance.

For further information or to register to become a TAFE VC provider, please:

1. Visit our website:
<http://www.tafevc.com.au>
> **Providers** > **How To Be Registered**
2. Email or call the TAFE VC Help desk with your:
 - Organisation name
 - RTO number (if available)
 - Address
 - Contact details

Email: help@tafevc.com.au

Help Line: 1800 896 122
(national toll free number)
