tafe virtual campus

The TAFE Virtual Campus provides an e-learning platform for the flexible delivery of vocational education and training (VET) programs.

## TEACHING ONLINE

The TAFE Virtual Campus (TAFE VC) allows teachers to:

- Select from the exciting range of e-learning resources available from the **Online Courseware Catalogue**. These resources can be used off the shelf or modified to suit requirements
- Interact with your students using communication tools such as text and voice chat and discussion boards
- Create courses and add value to each student's learning experience
- Manage and evaluate your students by using online tools such as quizzes, surveys and assignments
- Track students' progress
- Access the TAFE Virtual Library, which brings together the library resources of every TAFE Institute across Victoria
- Receive help desk support, anytime, anywhere.

Be part of a growing number of teachers who are embracing e-learning across Victoria.
