### **e-Works Administration Cost**

Basic Administered attracts an administration charge for the following service requests:

1. Course creation and deletion
2. Section creation and deletion
3. User creation and deletion
4. User enrolment and un-enrolment

Organisations will be charged \$31.00 per service request. Invoices detailing the total requests and charges will be issued quarterly.

### **Pathway**

Organisations using Basic or Basic Administered can scale to an Enterprise
